8& rock, left out to left side, recover weight onto right in a swaying motion, restart the dance with the big side

step to the left on 1

Hope you like. Decided to change it up a little

Note!!!! There are 2 restarts in the dance

The first restart is on the 2nd wall. Dance through the 5th set of 8, when you are finishing your sway into your $\frac{1}{4}$ turn coaster. Make a $\frac{1}{4}$ turn to the left stepping right next to left and restart the dance on the front wall

The Second Restart will be on the 5th. This is you front wall. Do the first two 8 counts of the dance. After your sweep around, rock/recover, just bring right foot next to left and restart again on the front wall.....Have fun and put a lot on emotion into this dance!
